The NCRGC Board of Directors consists of a President, Vice President, Secretary, Treasurer, Range Master (proposed), and three At-Large members. Three positions will come open for next year (2011-2012) and they are the President, Range Master, and one At-Large member.

## Instructor Membership Program

---

A number of NCRGC members, who are also firearms instructors, have asked if they could use the NCRGC range for the live-fire portion of their firearms classes. The NCRGC Board of Directors discussed the merits and concerns of such a program at their November 2010 meeting and the proponent of the program (W. P. Flinn) was asked to submit a proposal. The NCRGC Board of Directors reviewed the proposal at their January 2011 and March 2011 meetings. The proposal received positive support by the NCRGC Board of Directors and the incoming NCRGC Chief Range Safety Officer (B. Fessler) was asked to finalize the details.

Members who are in good standing, who are also firearms instructors, may apply for the Instructor Membership Program which would allow them to bring students to the range, providing they agree to strict conditions for doing so. There is an added fee for this type of membership as well as other eligibility and conduct requirements.
